

Accu-Shield[®] Aluminum Wheels

A unique way to protect your investment

Accu-Shield® Aluminum Wheels

Accu-Shield® aluminum wheels were designed and engineered to have - and keep - their bright, shiny appearance even under the rigorous conditions of the trucking industry. Accu-Shield® aluminum wheels clean quickly and easily with only mild soap and water or standard non-abrasive household cleaners, saving time and money on polishing and maintenance.

The Accu-Shield® treatment can be specified to enhance the XP polish.

To protect the finish of Accu-Shield® wheels, Accuride highly recommends the use of Wheel-Guard separator plates.

Accu-Shield wheels have a decal on both sides of the wheel identifying them.

Finish options

Polished Shine	Code
Extra Polish with Accu-Shield® Easy to maintain, protected finish	XPC
Extra Polish Premium polish on both sides	XP

Accu-Shield® Wheel Limited Warranty

Accu-Shield® wheels are warranted for 60 months from the date of manufacture. This Limited Warranty applies to Accu-Shield® wheels and does not cover corrosion, misuse or other damage associated with the conditions addressed in Accuride's Limited Warranty or associated with (i) any damage in the areas of the mounting surfaces (such as the area under the mounting nuts, hubs, drums and against other wheels in dual position), (ii) any damage due to cleaning including use of abrasives, abrasive brushes, steel wool, scouring pads or strong chemicals, and (iii) any damage of the Accu-Shield® wheel finish, due to removal, misuse, or chipping, whether by contact with road obstacles such as stones, gravel, curbs, barriers, signs, or otherwise. Accuride recommends cleaning the wheels with mild soap and water.

Your only single source for industry-leading wheel end solutions.
